| Curriculum Details   |  |
|--|--|
| Curriculum type : Local  |  |
| Curriculum planning  |  |
| <p>Our characteristic curriculum is formulated with reference to the Education Bureau's guide to curriculum 2017 and takes into consideration children's development, interests and abilities so as to provide children with rich learning experiences. 'Life course on morality and spiritual education' - Politeness, Confidence, Love, Self-discipline and Help people, Health, Ethics and Honest. Three-year themed teaching on morality is designed based on development characteristics of children of different classes. It is integrated into daily teaching to foster noble character; 'Integrated life-themed course' - Personal experience is emphasized for learning through diversified games. Appropriate activities which cater for children's needs and attributes are arranged to foster the right attitude in children, practical skills and diversified knowledge. 'Special course on bi-literacy and tri-lingualism' - Group teaching and focus learning are adopted to promote children's language development; 'Corner group learning' - Through hands-on operation and interaction with each other. To stimulate children's creative thinking and promote interpersonal relationship; 'Special study with aid of illustration books' - Topic studies are adopted to foster voluntary exploration and problem-solving ability. Listening and oral communication skills and problem-thinking ability are enhanced through teaching aid of illustration books.</p> |  |
| Learning / Teaching approach & activities  |  |
| <p>Various teaching approaches including 'thematic approach', 'topic studies', 'picture book teaching', 'group teaching' and 'corners' are adopted to arouse children's learning interest, curiosity and their creativity and stimulate them to think. Various media and activities learning through games are used to enhance children's self-confidence, fostering voluntary exploration and promoting interpersonal relationship. Attention is paid to children's development in various aspects. Holistic development in moral, intellectual, physical, communal, artistic and spiritual aspects is promoted through various types of activities and learning arrangements.</p>  |  |
| Assessment of children's learning experiences  |  |
| <p>We record children's learning performance, learning outcome and the journey of development through ongoing observation. Relevant information is collected through observation in actual learning environment for record and analysis. It is kept in the children's profile of learning development.</p>   |  |
