Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>In accordance with "Kindergarten Education Curriculum Guide"(2017), we adopt "Child-centredness" as our code value and uphold the essential principle of "Understanding and respecting the unique developmental patterns of every child". Moreover, we follow children's various stages of development in the body, the heart, the spirit and the mind. We design a balanced, child-oriented curriculum that incorporates games and themes to foster children's growth with spiral progression.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We adopt games and theatrical activities, picture books and theme stories to create a self-learning environment that is safe, healthy, integrated and in harmony with others to stimulate children to explore and discover. Providing an opportunity for children to observe, think and express themselves. Building up children to be proactive and confident. We create a language-rich environment to develop children's reading habit and language abilities. Beside, we collaborate among school, family and community to work together that provide the healthy growth of children.</p>	
Assessment of children's learning experiences	
<p>Through continuous observation, assessment report of each theme, portfolios for children's learning records and parents' comments, we analyzed and evaluated in children's Cognitive and Language, Physical, Affective and Social, Aesthetic and Moral developmen respectively.</p>
