Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our children-oriented curriculum deploys different teaching methods to stimulate students' academic motivation and interest, and in the setting of an enriched learning environment, arrange an appropriate learning schedule to meet the overall development needs of students.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Our project approach to teaching combines with structured learning; knowledge is constructed through interaction between children and teachers in an autonomous and diverse learning environment and participation in different experiential activities. Our educational goals achieved "Joyful Learning through Play, Balanced Development All the Way"</p>	
Assessment of children's learning experiences	
<p>We adopt continuous assessment as a way to evaluate children's all-round development, and through teachers' observations on a regular basis, a learning overview and assessment report is produced at the completion of each unit.</p>
