Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>We design child-oriented curriculum according to children's developmental needs, referring to EDB's kindergarten Education Curriculum Guide, the school-based courses are designed, and six major areas of learning. We emphasize biliterate and trilingual teaching. We stress children on autonomons learning and moral education.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Different teaching approaches will be used, such as brain base teaching skill, and picture books teaching. We adopt whole group circle time, small group learning and personalized learning times. Theme-based approaches, project approaches, exploration activities, parent-child assignments, etc. Diversitied activities such as children performance, Book Character Fun Day, outdoor visits and parent-child activites etc. We are carried out, so that children can broader their views and expand their potential.</p>
