Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>We have designed an integrated, balanced curriculum according to children's development needs and abilities that focuses on learning through play and aims to develop children's capability for lifelong learning. We create an enriching, interesting English learning environment out of children's real daily life. This helps arouse their interest and motivation in, as well as develop the ability of, learning English.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Our school aims to provide Quality Kindergarten Education. The principle of "STAR", which is the meticulous curriculum, is designed for children to diversify their potentiality through free play, picture story book, Japanese Amazing Blocks and Integrated Creative Arts Curriculum. We do maintain "Whole Person Education" for children to learn "Self directed", "Talent", "Authentic Happiness" and "Resilience". We also strive to foster children's learning motivation, communication ability, sense of commitment as well as the creativity, and hence to develop their rock of lifelong learning.</p>	
Assessment of children's learning experiences	
<p>Children's learning portfolios to record children's learning process in a systematic way through continuous observations.</p>	

School Characteristics	
School vision and mission	
<p>Aim to inspire children's multi-intelligence and enhance the nine generic abilities. Seek to facilitate the intelligence development of children's brain, and attain all-round development.</p>	
Support to students	
<p>Appropriate support services for students, continuous observations of the development of students and referral services for students with special learning and emotional needs.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Received Grant for Support to NCS Students; appoint additional teaching staff / teaching assistants to support NCS students learning Chinese; arrange interpretation / translation services; engage NCS parent volunteers to enhance communication between school and parents; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration; participate in school-based professional support programmes organised by EDB.</p>	
Support to students with special needs	
<p>Joining the On-site Pre-school Rehabilitation Services.</p>	
Link with parents	
<p>Parent-teacher association : Yes</p>	
Other activities / communication with parents	
<p>Parent Interest Classes and Parent Volunteer Team jointly organized with the Parent-Teacher Association, Further Education College for Parents, Parent-Child Parenting Seminars, "Parent"- "School" Partnership Kindergarten Support Program: Parents Education Activities, Parents Day, Parents Class Visit Weeks, Parents' Course Meetings, etc., for parents to know more about the operation of the school and increase their child care knowledge.
