Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>The school develops an integrated spiral curriculum according to the Education Bureau's Curriculum Guidelines. Our kindergarten permeate the 6P (Play, Positive Thinking, Proactiveness, Problem Solving, Pleasure and Potential) teaching elements in our courses and activities to offer students balanced learning opportunities in five developmental objectives, namely "Moral Development", "Cognitive and Language Development", "Physical Development", "Affective and Social Development", and "Aesthetic Development", with a view to nurture children to attain all-round development in the domains of ethics, intellect, physique, social skills and aesthetics. We respect the developmental characteristics and needs of children, let them have a happy, safe and caring kindergarten life.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Play-based, provide children with a joyful and exploratory learning environment. Besides employing thematic and small group learning, child-centered project approach is also used. With specific focus on children's mother tongue speech sound development and language development, whole language learning, story-focused approach were introduced to enhance children's abilities in listening, speaking, reading and writing. Relaxed and child-friendly atmosphere to encourage children to learn through games and songs, which strengthen their tri-lingual language skills.</p>	
Assessment of children's learning experiences	
<p>"Children's Learning Portfolios" establishes a continuous observation record and summative report of the child's development.</p>	

School Characteristics	
School vision and mission	
<p>Our school motto is "Love, Respect, Diligence and Integrity". We provide a balanced emphasis on the five major areas of education. We adopt a child-centered approach, helping them to acquire basic knowledge and skills, develop creativity and independent thinking.</p>
