Curriculum Details	
Curriculum type : Local	
Curriculum planning	
Based on the EDB's guide to curriculum and our school mission, aims to help children develop in spiritual, moral, intellectual, physical, communal and artistic aspects.	
We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.	
Learning / Teaching approach & activities	
Drama-based approach, Orff music, shared reading programme are adopted to guide children to learn happily, so that the spirit of 'love to learn, skillful to communicate, ready to undertake responsibilities and eager to innovate is developed.	
Assessment of children's learning experiences	
Children's performance in learning and physical and psychological developments are assessed on an ongoing basis throughout the school year by ways of extended and conclusive assessments.	

School Characteristics	
School vision and mission	
We provide a nice environment based on the love of Jesus Christ and the love-oriented and artistic education-oriented approaches. Social workers are employed for promoting the belief of 'happy parents happy children' through professional services. This is designed to enhance the family's function so children grow up healthily through home-school collaboration.	
Support to students	
Pre-admission assessment; new student adaptation week; post-adaptation week assessment and follow-up; Interface between Kindergarten and Primary School Activities; participation in P.1 activities; group teaching; counselling from social worker.	
Support to non-Chinese speaking (NCS) students	
Received Grant for Support to NCS Students; appoint additional teaching staff / teaching assistants to support NCS students learning Chinese; arrange interpretation / translation services; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration; facilitate professional development for teachers to develop effective strategies to help NCS students learn Chinese; participate in school-based professional support programmes organised by EDB.	
Support to students with special needs	
Joining the On-site Pre-school Rehabilitation Services. We participated in the 'Bridge-Integrated Edu Project' operated by the HKCS. To enhance children who's in need. In order to train up their cognitive, physical, speech and social skills .
