Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>We emphasize on enhancement of language learning, using a spiral curriculum with different levels to match with child's development and interests. We also emphasize on games and explorations, implement emotional education with interactive learning in order to let them learn from diversified games and develop good moral. Children can make balanced development. There is an educational platform for parents to study with their children at home.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Thematic instruction model is adopted in which children can learn through small groups, exploration, by own choice and creative activities. We emphasize on environmental learning in which children can take the initiative and actively participate in activities.</p>	
Assessment of children's learning experiences	
<p>We continuously assesses children's learning and development, which is based on their learning performance in all aspects, and a "child development portfolio" to record their development.</p>
