Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>According to the concept of child-centered and learning through play, our kindergarten designs the curriculum based on students' traits and aims to provide a happy game-based learning experience.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>-Provide students with sensory exploration through new facilities and multiple learning elements. -By participating in a variety of activities, students are allowed to learn actively. -A rich language environment is provided for students to apply biliterate and trilingual language knowledge. -With advanced whiteboards and motion games, students can have inquiry-based learning experiences.</p>	
Assessment of children's learning experiences	
<p>Diversified assessment strategies help to analyze the performance of students' learning progress.</p>
