Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>The curriculum is based on the "Kindergarten Education Curriculum Guide" (2017) to cater for children's interests, abilities and experience. From easy to more difficult, the comprehensive subjects strengthen their learning with diversified and inspiring activities to provide children a solid foundation for balanced development of knowledge, skills and attitudes. Focus on moral development, a concern for society, and responsibility.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Children build their knowledge, confidence and reach their potential through group discussions, sharing and collaboration. They manipulate, explore and learn through hands-on activities in a variety of corner games. Systematic Mathematics in our school curriculum helps children to strengthen their mathematical concepts and logical thinking development. Outdoor activities broaden their horizons and enrich their knowledge. English activities are conducted in a whole class or in small groups. We create a positive classroom atmosphere to foster children's learning interest.</p>	
Assessment of children's learning experiences	
<p>Teachers regularly observe, assess and keep track of students' development in Language, Early Childhood Mathematics, Nature and Living, Physical Fitness and Health, Self and Society, Arts and Creativity through daily learning or games.</p>	

School Characteristics	
School vision and mission	
<p>In the spirit of Christian fraternity and adhering to the concept of nurturing children's all-round development, we carry out the spirit of "Being self-disciplined and hardworking brings glory to God and benefits to people.", we provide holistic education, inspire children's multiple intelligences, cultivate good character, enrich social life. They receive balanced development in ethics, intellect, physique, social skills, aesthetics and spirit, laying a good foundation for further studies.</p>	
Support to students	
<p>Through diversified celebrations, birthday parties, trips, religious studies, etc., new students can easily adapt a pleasant school life. We arrange K3 students to visit primary schools and P1 simulation lessons to reduce their anxiety of entering primary schools. We also offer Caring Angels plan, which helps to cultivate children's good moral character.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Create an inclusive learning environment to facilitate students' integration.</p>	
Support to students with special needs	
<p>Joining the On-site Pre-school Rehabilitation Services.</p>	
Link with parents	
<p>Parent-teacher association : No</p>	
Other activities / communication with parents	
<p>We value parental involvement. Parents are connected to the school in a variety of activities such as Parent-Teacher conferences, Parents Day, Parent seminars, Parent-child field trips, Parent-child Sport's day, Parent-child Lunar New Year Fairs, and other activities. Parent volunteers also assist the school in implementing reading programmes and children's outdoor activities.</p>
