Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>In accordance with the Education Bureau's Guidelines, we have developed a curriculum that caters to both children's abilities and needs, and the educational objectives of Hong Kong preschool institutions. Our curriculum is designed to arouse children's interest in learning, cultivate in them positive learning attitudes, improve their problem solving ability and facilitate the development of their potentials.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We adopt theme-, activity- and project-based teaching approaches while organizing activities such as simulation games, group discussion, explorations and visits.</p>	
Assessment of children's learning experiences	
<p>In simulation games, stories, comprehensive activities in the actual learning environment, we keep records of assessment of children's social, languages, artistic PE and cognitive developments and analyze their learning achievements through continuous observations.</p>
