Curriculum Details

Curriculum type : Local

Curriculum planning

1. To develop whole-person education based on Christ's spirit; emphasis on spiritual and moral education. 2. According to "Kindergarten Education Curriculum Guide" (2017), kindergarten implements spiral curriculum design with comprehensive activities. 3. Lies in "child-centredness", kindergarten adjust the learning content according to children's interests and abilities 4. Learning through play.

We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.

Learning / Teaching approach & activities

1. Theme-based learning implements picture books through adopting a series of themes in daily lives. Topics are designed with divers multiple and fun learning activities, e.g. visits, exploring and creative activities to enhance children's communication and problem-solving skills. 2. We provide Bilingual Class. Emphasis children to be biliterate (i.e. able to recognise Chinese and English words) and trilingual (i.e. speak fluent Cantonese, Putonghua and English). Native English and Putonghua teachers have lessons and activities with children.

Assessment of children's learning experiences

To continuously observe children's learning effectiveness and physical and cognitive development, portfolios will be distributed in difference stages. Also regular interviews will be held with parents to consult children's learning progress.

School Characteristics

School vision and mission

Adhering to The Baptist Convention of Hong Kong's education vision and the practice of the spirit of philanthropy, balanced development for children in all aspects of Ethics, Intellect, Physique, Social skills, Aesthetics, Spirit, to achieve whole person development.

Support to students

1. Use incremental with flexible class time arrangement for K1 students in the beginning. 2. Kindergarten organizes adaptive activities for K,3 to prepare for Primary One. 3. Kindergarten provides relevant support and referral services according to the individual development of children, and keep in touch with different organizations to provide individual counseling and seminars.

Support to non-Chinese speaking (NCS) students

Received Grant for Support to NCS Students; appoint additional teaching staff / teaching assistants to support NCS students learning Chinese; create an inclusive learning environment to facilitate students' integration; facilitate professional development for teachers to develop effective strategies to help NCS students learn Chinese.
