Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>With the Education Bureau's Guide to Pre-primary Curriculum as the direction, the curriculum mainly adopts the spiral and integrated story-based approach supported with specially designed activities. Activities are arranged according to children's learning interests, abilities and student differences. We aim to help children learn to learn, build up knowledge, foster good attitudes and master skills.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>A child-centred curriculum which adopts story-based approach and specially designed activities to guide children to learn from personal experiences gained through observations, discussions, explorations and putting what is learnt into practice. Stories, music, games and nursery rhymes are used to consolidate what is learnt. Through various activities, such as visits, hiking, birthday parties, snack tasting, festive celebrations and group learning, children develop multiple intelligences such as language, mathematical logic, body movement, visual space, self-reflection and interpersonal relationship for attainment of holistic development.</p>	
Assessment of children's learning experiences	
<p>Report to parents their children's development according to learning objectives of 6 learning areas stated in the Education Bureau's Guide to Pre-primary Curriculum and based on ongoing observations, reviews and records of various activities.</p>
