Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>It is in accordance with the Guide to Pre-primary Curriculum, integrating the quintessence of different teaching methods to achieve balanced and holistic development with individual characteristics in aspects of Spiritual Development, Language (Chinese and English), Early Childhood Mathematics, Arts &amp; Creativity, Nature and Living, Self &amp; Society, Physical Fitness &amp; Health.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Our integrated vocal art teaching supports both the story-based approach and drama elements to train logical, creative and communication skills of children. All-round learning enables children to gain first-hand experiences through entity participations. Reading strategies help to enhance children's reading ability, judgement, imagination and written communication skill. We provide a healthy campus which create a hygienic, safe and harmonious learning environment to promote children's healthy growth in physical, psychological, self and social aspects.</p>	
Assessment of children's learning experiences	
<p>Conclusion of multi-language activities, records of ongoing observation by teachers, records of ongoing observation by parents, records of learning outcomes, reports on child development and learning profiles.</p>	

School Characteristics	
School vision and mission	
<p>With biblical teachings as the basis of education, we stimulate children to reach their full potential. A diversified and creative learning environment is deliberately created; we also join hands with parents to foster self-directed learning and sense of responsibility to their children.</p>	
Support to students	
<p>K1 new students: campus visits for parents; meetings with new students' parents; seminars for parents, handbook for new students' parents; new students adaptation day. Drop-outs from other schools: parents meetings, handbook for drop-outs' parents; Smooth transition to primary one: visit primary schools in the district; mock classroom lesson of primary one, and 'primary one' adaptation class jointly held with the other organization.</p>
