Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>We aim to develop children's knowledge and skills in spiritually, intellectually, physically, socially and aesthetically; through the use of themes, picture books and design activities. Our integrated activity-based curriculum offers distinct learning experiences for children. Refer to "Guide to the Pre-primary Curriculum"</p>	
<p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>According to an activity-based teaching method, we enable children to explore environment around them through group learning, scientific experiments, organizing visits, etc.</p>	
Assessment of children's learning experiences	
<p>We continuously observe and assess children's academic performance per term by adhering to the "Children's Development Category" within the framework of the Education Bureau's "Pre-school Institution Performance Indicators". The indicators include physical, cognitive, affective and social, aesthetic and cultural developments. The assessment results are recorded in children's learning assessment sheets and children's learning portfolios.</p>
