Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>According to children's physical and mental development, and by way of applying stories and games, we inspire and develop children's potentials in the six learning areas, i.e. Language, Early Childhood Mathematics, Arts and Creativity, Physical Fitness and Health, Self and Society, Nature and Living. Meanwhile, we use project approach in accordance to children's learning interests.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Students are provided active explorations, interactive learning, critical thinking, and social development via theme and activity teaching, field visits, project study, and activity design. Through observation, scientific experiments, self-explored analyses, mathematical cognition, shared book reading, English / Mandarin / Cantonese rhymes reading, storytelling, life experience sharing, group activities, and reports during activities, to foster children logical thinking and problem-solving skills are well developed. Enhancing children's interest in language, ethics, emotion, social skills, physique, music, aesthetics and other various domains, enriches children's life experience and self-confidence. Promote "Free Play" to foster children's Learning Autonomy and creative development. Promote "Moral Education" to cultivate children a good character with Catholic doctrine through different activities.</p>	
Assessment of children's learning experiences	
<p>Continuous observation and summative assessment objectively record children's study. We analyze children's development and learning outcome on every aspect. Establishing children's learning portfolio can also reflect their overall growth.</p>	

School Characteristics	
School vision and mission	
<p>The motto of the school is "Veritas Vincit". We are committed to developing in our students a positive outlook on life and mutual respect and concern for each other. The school, mindful of the values of its foundation, endeavors to cultivate respect for the spiritual and moral beliefs of the Christian tradition and to create a community in which pupils, cared for as individuals, are helped to find fulfillment as they grow towards adulthood.</p>	
Support to students	
<p>We hold orientation for new students, parent-observation days, visits, seminars, religious and festival activities and join EDB School-Based Support to promote children's development in different aspect. We also train children's muscle coordination and develop good exercise habits. Recognition is given to those parents who accompany and guide their children during reading. We arrange K3 students to visit our St. Clare's Primary School and , participate in P1 bridging activities.</p>	
Support to non-Chinese speaking (NCS) students	
No information	
Support to students with special needs	
Joining the On-site Pre-school Rehabilitation Services.	
Link with parents	
Parent-teacher association : Yes	
Other activities / communication with parents	
<p>General activities include Parent's Day, Storytelling moms and dads, Parent Volunteer Groups, Talk for Parents, Class Observation, Family Picnic, Festival Activities, Graduation ceremonies, etc. Teachers often actively involve in conversations with parents face to face or through telephone calls. We also communicate with parents via students' handbook, school website, survey questionnaire, student comprehensive development report, PTA, Maple Chimes publication, and mobile phone eClass system.</p>
