Curriculum Details	
Curriculum type : Local	
Curriculum planning	
Ongoing renewal of the school curriculum and yearly planning is conducted with the Principal, Senior Leaders and Subject Leaders for pedagogical change that fosters students' whole-person development.	
Learning / Teaching approach & activities	
Small class instruction to incorporate thematic-based teaching focusing on a project and play-based approach to allow students to explore, take risks, engage in imagination and solve problems, learning valuable skills that support social, physical and cognitive development and allow students to embark on an educational journey to prepare them for their future endeavors.	
Assessment of children's learning experiences	
The progress of students through continuous observation of their classwork, homework and assessments completed three times each year. In doing so, we are able to identify areas of expertise or improvement and collect student work that demonstrates progress and growth.	

School Characteristics	
School vision and mission	
"Virtue, Knowledge & Community" is SJC's mission in order to create a sense of identity and belonging. By following these values we are brought together as a family and individuals are empowered to make better decisions on a daily basis and strive for greater success to learn. Our vision is to educate the youth-leaders of tomorrow. We pursue academic excellence, accelerated learning, exchange of new ideas to form innovative ways of understanding and in turn transform students' educational experience into a transcendent one. We seek to accomplish this through our diligent and tailored commitment towards our students.	
Support to students	
We offer a wide-range of ECA and interest classes and cater to students by providing suitable individual and small group tutorials. Furthermore, we also train for external competitions.	
Support to non-Chinese speaking (NCS) students	
Create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration; Special Tailor-made Chinese lessons for Non-Local students	
Support to students with special needs
