Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our curriculum strives to simultaneously integrate the merits of Chinese and Western cultures and education. We design the child-centered Chinese and English school-based curriculum according to children's physical and mental developmental needs, interest and abilities. We strive to develop children's learning abilities, establish language foundation in Chinese, English and Putonghua, as well as develop their self-confidence and independence.</p>	
Learning / Teaching approach & activities	
<p>Through the Thematic Approach and the Project Approach, we develop children's learning abilities in various aspects. Through integrated teaching and story-approach, incorporating a variety of diversified learning activities and outings, children are able to gain first hand experience, explore, study and develop a multitude of hands on experiences. Children's communication, collaboration, thinking and problem-solving skills are also strengthened through fun learning approaches and thereby cultivate personal character.</p>	
Assessment of children's learning experiences	
<p>Through continuous observation, we record and assess children's learning performances. We provide guidance according to children's individual differences. We create personal development portfolio to record children's learning progress.</p>	

School Characteristics	
School vision and mission	
<p>Being child-oriented, we provide a healthy and happy environment for children to grow. We emphasize children's holistic, balanced development, which includes cognitive and language development, affective and social development, physical and aesthetic development, so as to lay a solid foundation for their primary school education and life-long learning.</p>	
Support to students	
<p>New students' adaptation measure that allow parents to accompany their children to attend classes. Talks for parents to better understand the school's curriculum arrangements. Courses for Lower and Upper students to ensure smooth transition, for example; primary school visits and primary one school life simulation. For parents, we organise "Talks on the Primary One Admission Mechanism" and primary one sharing sessions with alumni's parents. We also provide counseling and follow-up services for individual children with special needs.</p>
