Curriculum Details	
Curriculum type : Non-local	
Curriculum planning	
<p>Small World is proud to be an International Early Years Curriculum accredited school! The International Early Years Curriculum is designed for children aged two to five years old. It uses international best practices, holistic enquiry and play-based approaches that cover all curriculum areas including personal, social and emotional development.</p>	
Learning / Teaching approach & activities	
<p>At Small World Christian Kindergarten, learning is a joyful, motivating, fun and engaging exploration that opens up a world of wonder for young children where their curiosity and personal interests can flourish. With developmentally appropriate, teacher-scaffolded and child-initiated experiences, each child may develop their knowledge and skills at their own pace, leading to an increasing understanding of themselves, others, God and his creation. We aim to develop the whole child, using Christ's development, as summarised in Luke 2:52, as our model: He grew "in wisdom (academically), in stature (physically), in favour with God (spiritually), and in favour with man (socially)." Play is essential at Small World! We define play as a creative and enjoyable process which takes many forms; it is often free from externally-imposed goals, but can also be purposeful, guided and scaffolded.</p>	
Assessment of children's learning experiences	
<p>Small World celebrates that learning is a partnership between the school and the family, and we regularly update families regarding their child's participation in classroom activities and any areas where the child may need extra help.</p>

School Characteristics	
School vision and mission	
<p>Vision: So the next generation would know God, even the children yet to be born, and they in turn would tell their children. Then they will put their trust in God and will not forget his deeds but will keep his commands. (Psalm 78:6-7) Mission: To educate the whole child in a nurturing, vibrant and international community. To cultivate individuals of character, compassion, courage and competence. To inspire the next generations to be a global people of Christian faith, a people serving others.</p>	
Support to students	
<p>At Small World, children's well-being is of utmost importance. Through our programme, students develop the personal qualities of enquiry, adaptability, resilience, morality, communication, thoughtfulness, cooperation, and respect. Our aim is to help each child grow in wisdom (academically), in stature (physically), in favour with God (spiritually), and in favour with man (socially), just like Jesus Christ did. We are blessed to have a growing community of parents, staff and alumni who support Small World's ethos.</p>
