Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>A child-centred curriculum which corresponds with children's physical and psychological developments and interests, emphasizes children's interactions with other people and the environment, and guides children to 'learn in action'. - It helps children develop various abilities such as, self-management, communication, analysis, creativity, logical thinking and the application of information. - To foster biliterate and trilingual abilities, expose children to the world at a young age, help them to understand the Chinese and Western cultures, realize the importance of integration, and to raise and foster global vision. - To adopt and practice the teachings of Jesus Christ as the principle of life, and lay a sound foundation for life education and character development.</p>	
Learning / Teaching approach & activities	
<p>We emphasize the provision of learning environment. Lively atmosphere is created for children to learn through the 'thematic approach' and 'topic studies' which are supported with integrated activities. Through group teaching, children are encouraged to listen more, talk more and explore more. These train them into students who love learning, learn independently and are equipped with the skills of learning. These ensure that our graduates bridges with primary one education and get good academic results effortlessly.</p>	
Assessment of children's learning experiences	
<p>1. Weekly observation record. 2. Assessment for each theme learnt. 3. Three ongoing assessments of overall development annually. 4. Conclusive report for each semester.</p>	

School Characteristics	
School vision and mission
