Curriculum Details	
Curriculum type : Local	
Curriculum planning	
The integrated curriculum works in with diversified activities, and development needs and interests for children.	
We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.	
Learning / Teaching approach & activities	
Thematic dynamic teaching enhances children's self-confidence through activities like games, visits and so on.	
Assessment of children's learning experiences	
Keep records of children's learning outcomes and behavior by continuous observation.	

School Characteristics	
School vision and mission	
By promoting health and inspiring knowledge, children will have a comprehensive understanding of life and the world.	
Support to students	
It provides a freshmen accommodation period, as well as cooperating with community agencies and organizing visits to elementary schools within the district.	
Support to non-Chinese speaking (NCS) students	
Received Grant for Support to NCS Students; appoint additional teaching staff / teaching assistants to support NCS students learning Chinese; engage NCS parent volunteers to enhance communication between school and parents; create an enriched language environment for mastery of the Chinese language; facilitate professional development for teachers to develop effective strategies to help NCS students learn Chinese; participate in school-based professional support programmes organised by EDB.	
Support to students with special needs	
Joining the On-site Pre-school Rehabilitation Services.
