Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Based on the EDB's "Guide to the Pre-primary Curriculum", we designed an integrated curriculum that seek to balance children's 5 developmental objectives: moral, cognitive & language, physical, affective & social, and aesthetics, as well as the 6 learning areas: physical fitness & health, language, early childhood mathematics, nature & living, self & society, and arts & creativity, and implement through experiential teaching and self-directed play</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>1) With character education as our core, we foster children's whole brain development and stimulate their creativity through experiential teaching, coop learning, & HighScope approach 2) Through school-based English Programme, we aim to improve children's listening, speaking, reading, and writing ability. Through rich language environment, children acquire phonics & blending awareness. Along with English reading strategies, children gradually grow to enjoy English</p>	
Assessment of children's learning experiences	
<p>1. We analyze data from thematic & continuous assessments forms, observations & records to give feedback to each child's educational needs 2. Children portfolio is designed for assessing children's learning through multifaceted sampling & analysis, learning assessment reports, observation records, artwork analysis, & learning record summary</p>
