Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>The "child-centered" curriculum is prepared in an integrated and comprehensive way according to children's development stages, interests, abilities, and needs, thus nurturing students to get a balanced development in knowledge, skills and attitudes.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Learning emphasizes diversification, comprehensiveness and balance by adopting biliteracy and trilingualism, with thematic teaching and tailor-made activities in conjunction with teaching strategies under "brain science concept", which encourages joint participation, cooperative learning and thinking proliferation.</p>	
Assessment of children's learning experiences	
<p>With preparation of children personal portfolio on learning, it holds diversified assessments and continuous observation to keep records on children's learning outcomes, including six learning areas of languages, early mathematics, physical fitness and health, science and technology, individuals and groups, and arts.</p>	

School Characteristics	
School vision and mission	
<p>Teachers are full of kindness with the everlasting love of Christ, so that children can learn in a happy environment. The preparation of integrated curriculum cares all-round development and cultivates spirituality, morality, intelligence, physical fitness, sociability and aesthetics. The school emphasizes spiritual and moral education to help students understand the truth from the Bible, in order to learn to love others as oneself, while cultivating children's positive values to build good characters featuring politeness, humbleness, honesty, responsibility and respect for others.</p>	
Support to students	
<p>"Introduction to Kindergarten Admission", "adapt to kindergarten", "introduction to Primary School", "Primary School Experience Week". It also collaborates with community agencies to organize various activities for enrichment of children learning, while identifies students who have potential difficulties in learning and through individual observation, track records and screening, in order to provide appropriate counseling, support and early referrals.</p>
