Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>With reference to the "Kindergarten Education Curriculum Guide" (2017), our curriculum is designed according to children's age characteristics and psychological development, adopting the theoretic basis that children's learning is a gradual progression.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Being child-oriented, we encourage teacher-student interaction and foster children's creative potential through free play, small-group or whole-class teaching. With games for learning, participation in community activities and site visits to enhance children's learning interest and motivation, we develop children's capabilities to understand, to discern, to create, to think and to express.</p>	
Assessment of children's learning experiences	
<p>By making use of the Child's Learning and Development Portfolio that is compiled through continuous observation, we carry out assesment for children's personal growth, development and learning.</p>
