Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>The School follows the "Kindergarten Education Curriculum Guide" and in accordance with the children's ability, life experience and learning interest, arranges balanced and suitable courses.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We adopt the "activity approach" to develop children's confidence and ability to innovate through activities, such as: games, first-hand experiences, exploration, discussion, observation, visits and reports, thus inspiring / awakening the children's potentials and motivation for active learning.</p>	
Assessment of children's learning experiences	
<p>Teachers make assessments based on their continuous observation of the children, on the recordings and analyses in different learning environments, and using these to formulate appropriate learning goals and plans for children.</p>	

School Characteristics	
School vision and mission	
<p>"To give the children the experience of God's love, to water and carefully tend these tiny shoots in the Charity of our Foundress, making every effort to nurture them to become good and loving persons."</p>	
Support to students	
<p>We support the students through: Nursery Class Orientation Week, Primary One Exposure Programme, and Counselling of individual children with learning, emotional and behavioural problems.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Received Grant for Support to NCS Students; appoint additional teaching staff / teaching assistants to support NCS students learning Chinese; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration; participate in school-based professional support programmes organised by EDB; Introducing them to the Chinese culture through Chinese cultural festivals and school-based Chinese e-textbooks. Integrating both children and parents into the local cultural learning opportunities, and encouraging them to continue to learn Chinese at home.</p>	
Support to students with special needs	
<p>Joining the On-site Pre-school Rehabilitation Services. Our school also participates in the Pilot Scheme on Social Work Service for Pre-primary Institution of the Social Welfare Department; provide support, training and follow up for children with special educational needs.</p>
