School Characteristics	
School vision and mission	
<p>Our school strives to put the child at the center of everything we do. The modus operandi of our staff is to value, accept and respect each and every student in our care. In line with the latest developments in the field of education, we enhance our students' bi-literal and tri-lingual competence and put as much emphasis on moral education as knowledge acquisition. Our goal is to provide a strong educational foundation, allowing our students to cultivate a love of learning, willingness to help others, and creativity and discipline in all their endeavors. Our school also provides opportunities for our students to expand their horizons—acquainting them with different cultures and practices from around the world, enriching their educational experience and encouraging them to be proactive in the learning process.</p>	
Support to students	
<p>In addition to our school staff, we have an in-school nurse, a specialized physical education instructor and a music teacher to provide a developmental and supportive learning environment for all students. Each class is led by a minimum of 2 class teachers, building rapport and bridging communication with students and parents.</p>
