Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>After adopting the child-centred approach, the curriculum arrangement is based on leveraging childrens knowledge about their abilities, needs, study methods, experiences and interests.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>A rich environment is created for children' learning by ways of thematic approach and topic studies, such as formulating teaching plans, collecting teaching materials, designing learning environment and producing teaching tools.</p>	
Assessment of children's learning experiences	
<p>Through observation and recording, teachers can objectively analyze children's ability performance, which can not only reflect children's learning process and progress, but also can be used to improve learning and teaching strategies and the overall curriculum development of the institution.</p>
