Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>All-round diversified teaching methods are adopted based on the latest guide to curriculum from the Education Bureau and taking into consideration children's physical and psychological development, life experiences and learning interest. This can broaden children's horizon, stimulate their want to learn, and help them develop independency, self-care and self-directed learning attitude.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Integrated activity-based learning, specially designed activities, site visits and group activities, teaching with picture book, moral education, free play.</p>
