Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Anchors International Education Group is a Christian school committed to providing a loving, caring and inspiring teaching environment in cooperation with American Invitation Education. Anchors Kindergarten originates from Christian beliefs and the Invitational Education approach (IAIE originated in the U.S.). We believe that all children are capable, valuable and possess a responsible attitude. Combining the standards of Chinese and International education, we can explore each student's unmitigated potential, allowing them to cultivate their unique personal qualities and to learn to respect different cultures.</p>	
Learning / Teaching approach & activities	
<p>Our school curriculum will adopt the advantages of "Thematic Teaching Approach" and "Project Approach" for integrated teaching. Teachers will plan themed lessons and activities, so students can learn in a variety of ways both inside and outside of the school classrooms. Teachers will plan the lessons and activities based on the students' interests. Through designing activities, children can develop their curiosity to explore new knowledge, enhance children's learning interest, trigger more thinking, ask more questions and try more. Anchors International Education Group aims to inspire students and help cultivate their problem solving skills. Our school integrates "Social Emotional Intelligence Education" into the curriculum, so students can learn the skills of managing their own emotions. In addition, as reading is such an important skill for students to learn, Anchors has also placed an emphasis on reading in the curriculum. Childhood is the most important growth stage in life, so we have specifically hired professional fitness teachers to design appropriate physical activities that cater to each students' individual physical development. We encourage students to participate in different types of competitions and performances in order to increase their self-confidence.</p>	
Assessment of children's learning experiences	
<p>Children's Growth Portfolio, academic performance assessment based on on-going observation, theme-based learning assessment.</p>
