Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>We adopt Heuristic and Creative Teaching. We aim to nurture children's learning interest through play and to help children to develop their full potential. We focus on child-centred approach which encourage self-directed learning and catering for diverse learning needs of our children.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We aim to enhance children's learning interest through picture books and play. We improve children's problem-solving skills, creative thinking abilities, social and communication skills through various learning activities. We offer opportunities for children to attend various kind of performances, competitions and parent-child activities, which enhance children's self-confidence and improve parent-child relationship. Qualified professional Native English teacher and Mandarin teachers to teach English and Mandarin.</p>	
Assessment of children's learning experiences	
<p>Using overall development of children as the assessment criteria, evaluates children's learning performance, physical and mental development through continuous observation, recording and analyzing. A "Children Learning Development Portfolio" is set up for each child to record their development progress.</p>
