Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Centred on children, we not only provide general kindergarten curriculum but also introduce creative elements. We offer various learning activities to help children develop creative thinking and cultivate children's thinking ability, imagination and creativity.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We design learning programmes in compliance with children's development and adopt spiral teaching methods. We work out daily schedules and adopt a variety of teaching modes (such as project-based learning, group activities, games, artistic creation, physical activities, routine training, story-based activities and visiting) to let children experience and learn in a relaxing and pleasant environment.</p>	
Assessment of children's learning experiences	
<p>We have on-going observation and records of children's academic performances and set up a children's growth portfolio.</p>
