Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our school uses a well-balanced and diverse teaching method to promote all around development and independence in our students. Children learn in a bilingual, stimulating and enabling environment with the aim of learning through self discovery. Our teaching provides real life, sensory experiences allowing our children to gain first hand knowledge. Moral education is emphasised in order to develop the concept of right and wrong in addition to nurturing positive values in our children. Lessons are also led by a Chinese class and a Native English class teacher in order to promote a bilingual setting for children. Mandarin lessons are also conducted by a specialized native speaking teacher.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Our school offers a play-based approach to support children's needs which include reading programs, theme teaching, project approach, weekly Fun-Friday, exploration activities, visit etc to fulfill the diverse needs of learning.</p>	
Assessment of children's learning experiences	
<p>Reflect children's performance on learning and development through Theme Assessment Report, Term Assessment Report and Student Portfolio.</p>
