Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>The curriculum aims at achieving a well balanced development in the five major developmental areas, i.e. Physical Development, Cognitive Development, Language Development, Affective &amp; Social Development and Aesthetic &amp; Cultural Development. Our curriculum is composed of different Learning Themes which are related to the daily life experiences of the children. Bi-literacy and tri-lingualism, mathematics, physical fitness, science, personal development, social skills and art are integrated in the learning areas of class activities.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Activity-based approach; group activities; activities led by English-speaking teachers; project-based activities, off-campus visits; reading programmes; parent-child activities, participation in activities and competitions organized by external organizations.</p>	
Assessment of children's learning experiences	
<p>The learning progress of the students is assessed through the observation of the performance of individual students during their daily learning activities by the teachers. The observation is recorded in an Observation Report and Assessment Report and reported to the parents. Parents may also provide feedback on their children's performance in daily life. All the reports and supporting materials will be filed in the "Student Portfolio" of each student.</p>
