### Curriculum Details

Curriculum type : Local

Curriculum planning

Centred on children, we implement comprehensive curriculum and train independent learning ability to help develop a good learning attitude and character.

We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.

Learning / Teaching approach & activities

1. Project Approach – To stimulate children to explore voluntarily and build up knowledge through the process of observation, discussion and exploration; 2. Montessori Method – To train mathematical and logical thinking, and develop reading and writing skills and self-care ability; 3. Fun With English – To arouse children's interest in learning English, and articulate listening and pronunciation skills; 4. Life education – Concerning individual child's needs and development, we foster positive and optimistic values through manifesting the Love of Jesus Christ.

Assessment of children's learning experiences

Continuous assessments; a profile on a child's learning is kept.

### School Characteristics

School vision and mission

Objectives: To provide quality holistic education and child care services so as to lay good foundation for children; to provide opportunities for creative expression so children release their potentials; to emphasize home-school collaboration. Partnership is formed with families for attainment of good teaching and learning outcomes; to promote child education strategies and methods

Support to students

The School has student support teacher and school social worker to provide counselling for children and families in need.

Support to non-Chinese speaking (NCS) students

Support to students with special needs

Joining the On-site Pre-school Rehabilitation Services. The school offers "Integrated Services" and "On-site Pre-school Rehabilitation Services" for children with special needs. Through the inter-professional collaboration model (which includes special child care workers, speech therapists, physical therapists, occupational therapists, psychologists and social workers), we provide professional and appropriate training for children with special needs as well as supporting parents.

Link with parents

Parent-teacher association : Yes

Other activities / communication with parents

A parent-teacher association is set up to allow the parents to participate school activities and do voluntary work, so as to promote home-school cooperation. Moreover, the Salvation Army Pre-School Education Services Joint Parent Association is organized to strengthen contacts between parents and teachers of various schools, assist joint school activities, provide parent education and jointly discuss pre-school education in order to deepen home-school cooperation.
