Curriculum Details

Curriculum type : Local

Curriculum planning

Our integrated, child-centered curriculum helps children develop self-learning ability and good learning attitudes and character.

We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.

Learning / Teaching approach & activities

1. Project Approach – To stimulate children to explore voluntarily and build up knowledge through the process of observation, discussion and exploration; 2. Montessori Method – To train mathematical and logical thinking, and develop reading and writing skills and self-care ability; 3. Fun with English – To arouse children's interest in learning English, and articulate listening and pronunciation skills; 4. Life education – To manifest the love of Jesus Christ, foster good character and values. At the same time, children are taught according to abilities, special needs and development of children are also catered for.

Assessment of children's learning experiences

Continuous assessments; a profile on a child's learning is kept.
