Curriculum planning	
<p>Our integrated, child-centered curriculum helps children develop selflearning ability and good learning attitudes and character.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>1. Project Approach – To stimulate children to explore voluntarily and build up knowledge through the process of observation, discussion and exploration 2. Montessori Method – To train mathematical and logical thinking, and develop read and write skills and self-care ability 3. Fun with English – To arouse children’s interest in learning English, and articulate listen and pronunciation skills 4. Life education – To manifest the love of Jesus Christ, foster good character and values. At the same time, children are taught according to abilities, special needs and development of children are also catered for.</p>	
Assessment of children’s learning experiences	
<p>Continuous assessment, a profile on a child’s learn is kept.</p>
