Curriculum Details

Curriculum type : Local

Curriculum planning

Our curriculum is based on the Guide to Pre-primary Curriculum. The child-centred approach is adopted and holistic development is emphasized. Topics which children are interested are selected as the learning materials.

We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.

Learning / Teaching approach & activities

The 'thematic approach' and 'topic studies' are adopted.

Assessment of children's learning experiences

We shift from traditional assessment by way of questionnaires to observation, record and analysis in actual environment for ongoing assessments. A profile on learning is also kept.

School Characteristics

School vision and mission

Quality holistic education is provided to foster students as future pillars of the nation based on the spirit of 'benevolence and relief for humanity'. Student differences are catered for based on the principle of service of 'relieve and benefit the humanity'. We teach according to students' abilities and train them as individuals of good academic achievements and morality.

Support to students

New students adaptation activities; visits; parent-child activities; school social worker services; cooperation with community organizations.

Support to non-Chinese speaking (NCS) students

No information

Support to students with special needs

Joining the On-site Pre-school Rehabilitation Services. We provide an integrated program to special needs students. We designate a teacher to take care of these students by providing individual and group learning as well as coordinating teaching and training progress with class teacher and related therapists.

Link with parents

Parent-teacher association : No

Other activities / communication with parents

Besides organizing parents meetings and parents day on regular basis, various parent-child activities are also held, such as sports day, visits, hiking and parties for promotion of parent-child relationship. Professionals of the relevant disciplines are also invited to the campus to provide seminars and talks to parents so as to help them take care of their children effectively. We communicate with parents through various channels, such as: maintain a close tie with parents by ways of conversation with parents when they come before and after school every day, telephone contact, notices, handbook and correspondence. These are designed for promotion of home-school collaboration to help children grow up and learn happily.
