Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our school curriculum is designed in accordance with the "Kindergarten Education Curriculum Guide" (2017) and development needs of children. Its contents integrated with life experiences and interests with diversified activities such as inquiry-based science, theater, creative art activities, so as to foster balanced development of children. It also regularly reviews the relevance of the curriculum and provides multi-sensory learning to encourage exploration, we aim at helping young children to achieve a comprehensive and balanced development in the domains of moral development, cognitive and language development, affective and social development, aesthetic development and physical development.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We encourage children to learn through play and learning focuses on personal exploration and creative. Children can build up confident, proactive attitude and develop social interaction skills through the participation of individual, group and whole-class activities and project learning. Outing activities are also provided for children with real-life learning experiences which help them to grow. We provide diversified religious activities so that children can learn the truth, good morals and proper values. We also have Native English teacher and Mandarin teachers in classes to create language-rich environment for children to learn.</p>	
Assessment of children's learning experiences	
<p>Our school conducts continuous observation to evaluate the learning performance of children. In addition, we designed children's "learning portfolio" which consists of theme assessment, children observation record, artwork's analysis and parent evaluation. At the meanwhile, we arranges classroom observation for parents and parents' day that make parents and teachers understand the learning and development of children.</p>
