Curriculum Details

Curriculum type : Local

Curriculum planning

Under the balanced, integrated and curriculum, teaching and learning take place through diverse play and activities.

We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.

Learning / Teaching approach & activities

The story-based and activity-based approach, project studies and whole language approach are adopted.- Diverse, systematic and stimulating play games and activities are means of pedagogy with emphasis on children's self-initiate in learning .

Assessment of children's learning experiences

Assessment of children's development is done through ongoing observation and analysis of portfolios. The content covers cognitive, language, social, emotional and physical domains.

School Characteristics

School vision and mission

Our mission: To convey the caring culture and positive messages to children and their families. We emphasize team spirit of our staff and parents education for promoting good home-school collaboration to enhance holistic development of children. Our objectives: To spare no effort in fostering quality next generation by providing a safe and suitable environment for children to grow and attain all-round development in moral, intellectual, physical, social, aesthetic and emotional domains.

Support to students

Educational psychologist is employed to provide professional consultation and training over curriculum and pedagogy. Stationing social worker is available to provide supportive services to children in need on regular basis. Speech therapists and occupational therapists are also available to provide counselling, assessment and referral services to children in need. Special child care workers who are specialized in children with special needs are also employed to provide individual education plans.

Support to non-Chinese speaking (NCS) students

No information

Support to students with special needs

Joining the On-site Pre-school Rehabilitation Services.

Link with parents

Parent-teacher association : No

Other activities / communication with parents

Social worker is engaged to organize diverse play group, workshops and seminars to help parents better understand various stages of child development and their children's behaviours. We endeavor to ease parents' worries about transition to primary one, enhance children's emotional intelligence, and help parents communicate with children effectively to promote family harmony and cohesion.
