Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>According to children's development needs, we design teaching activities based on an open educational concept. We design learning contents with reference to children's life experience and interests and provide such activities as inquiry-based science, drama, Orff Music, emotion education and creative art activities to promote children's balanced development. We attach importance to children's moral development and add moral education in daily classroom activities.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We design an open environment, divide different learning spaces and broaden activity space to develop children's active learning ability. According to children's development and abilities, we place teaching aids of different degrees in various learning areas to improve children's learning interest. We adopt mixed age learning mode to promote children's sociability development.</p>	
Assessment of children's learning experiences	
<p>We set up a Study Portfolio and children's development report to record and have on-going and summative assessment on children's development in all aspects.</p>	

School Characteristics	
School vision and mission	
<p>To meet the needs of families and the society, we provide diversified services such as integrated programme, respite care and extended service to provide full care for children. A rich learning environment is designed for cultivating children's spirit of exploration and self-study to lay a foundation for life-long learning.</p>	
Support to students	
<p>We, through different channels, learn the children and parents' needs and provide social worker and referral services for those in need. Children with special needs are provided with speech therapy, physical therapy, occupational therapy and clinical psychological service. Our expert teams provide graduates with The Joyful Growth Programme.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Received Grant for Support to NCS Students; appoint additional teaching staff / teaching assistants to support NCS students learning Chinese; arrange interpretation / translation services; engage NCS parent volunteers to enhance communication between school and parents; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration; facilitate professional development for teachers to develop effective strategies to help NCS students learn Chinese.</p>	
Support to students with special needs	
<p>Joining the On-site Pre-school Rehabilitation Services.</p>	
Link with parents	
<p>Parent-teacher association : No</p>	
Other activities / communication with parents
