Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our school's curriculum is designed to meet the developmental needs and abilities of young children, utilizing play as a key strategy. We aim to cultivate lifelong learning skills by respecting each child's individuality and providing diverse learning materials and activities tailored to their unique needs and interests.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>To create a pleasant learning environment, we use a theme-based instruction model that includes group learning, self-choice learning corners, real-life learning, projects, life education, and outdoor visits. We hope to stimulate children's thinking and enthusiasm to learn through observation, exploration, and interactive participation.</p>	
Assessment of children's learning experiences	
<p>We evaluate children's academic performances and development in other aspects based on ongoing observation, records, and analysis. We create a "Children's Study Portfolio" to collect their worksheet, drawings, photos, performance in various subjects, and a summative assessment form to record their learning and growing process.</p>
