Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our school follows the Kindergarten Education Guide (2017) Curriculum released by the Education Bureau and our institution Pok Oi Hospital's philosophy " Erudite, Virtuous, Compassion and Moral" together with "environmental education" to develop a comprehensive, well balanced and suitable curriculum for the children with the aim of creating a "healthy school environment".</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>With different lesson themes, nature excursions and cross curricular activities, our students are able to practice and their moral development. Also focused on lifelong learning and whole-person development.</p>	
Assessment of children's learning experiences	
<p>Our school custom - makes each student's learning portfolio to record their learning progress, personal development and summary throughout the year. Additional to the portfolios the school receives parent's feedback in order to enhance our school programs.</p>	

School Characteristics	
School vision and mission	
<p>Environmental Education is our school's core development goals. Our school has been awarded "Hong Kong Green School Award" outstanding performance for environmental protection activities and became a "Green Kindergarten". In 2014-2015 the school has been invited to participate in "Prevention First before Reuse and Recycling" and became one of the representative schools to share our experience and knowledge to other schools.</p>	
Support to students	
<p>In order to increase student's multi-media capability. The school has set up an internet platform – Kiddie's World providing activities for students to revise, strengthen and extend their scope of learning. Parent-Teacher Association was founded in 2008 as a channel for parents and teachers to collaborate and join hands to implement "healthy school" program.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Received Grant for Support to NCS Students; create an enriched language environment for mastery of the Chinese language.</p>
