| Curriculum Details | |
|---|--|
| Curriculum type : Local | |
| Curriculum planning | |
| <p>1) The theme-centred curriculum is implemented via the children-centred teaching strategies and focuses on well-balanced developing . Moreover, we adopt such forms as group collaboration and project-based learning to let children learn from play. 2) We regularly arrange theme-based outdoor visiting activities to enrich children's life experience. 3) We arrange a variety of interest activities (such as children dance, English phonics, computer learning and Mandarin) for full day classes in the afternoon to stimulate children's potentials.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p> | |
| Learning / Teaching approach & activities | |
| <p>Through collaborative learning, we let children participate actively in class to improve their learning motivation and guide them to learn independently and solve problems. Through group collaboration, we let children discuss with and learn from each other so as to master communication skills.</p> | |
| Assessment of children's learning experiences | |
| <p>Children's creative works, children's study assessment reports, children's observation reports and children's growth portfolio.</p> | |
