Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>The curriculum is formulated in accordance with the characteristics of children's physical and psychological development. The training of language and thinking abilities, development of self-directed learning, healthy body, spirit and mind and loving character is emphasized.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>The curriculum is arranged in the daily life setting. Through daily practice, children gain knowledge, learn life skills and develop morality. Thematic approach and learning through exploration are adopted. The English language course is taught in the Shared Book Approach to help students learn English through stories. We emphasize the training of bi-literate and tri-lingual abilities. The Love + Reading scheme is launched in K2 and K3. Under the scheme, Parents are trained to be a reading partner. This aims to foster the interest and habit of reading since childhood. Native-speaking teachers and specialists are employed to teach the English language and Putonghua respectively to lay sound foundation for primary one education.</p>	
Assessment of children's learning experiences	
<p>Children's learning outcome is observed, assessed and analyzed on an ongoing basis. It is kept in the 'Record of Child Development' .</p>
