Curriculum Details

Curriculum planning	
<p>According to the Education Bureau's Pre-School Education Guidelines, we aim at children's holistic development in moral, intellectual, physical, social, aesthetic and spiritual aspects. We also encourage them to never stop learning, thinking, inquiring, innovating and reacting. We pursue life education that enables children to know the Lord Jesus Christ as a child.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>With theme- and project-based teaching approaches, we teach an integrated curriculum, so as to improve children's creative thinking and encourage them to learn by exploration. We pursue life education that enables children to know the Lord Jesus Christ as a child, cultivate in them positive outlook on life, and help them understand what the meaning of life is. We have built Little Lamb Team of the Boys' Brigade, Hong Kong. Zippy's Friends emotional curriculum is intended to cultivate in children positive emotions and high sociability.</p>
