Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>1. The course links up with the primary school curriculum and cultivates a positive attitude towards learning. 2. There are foreign language teachers to teach English and Phonics. 3. In all learning areas, elements of "music therapy" are added to enhance children's ability of social, language and concentration. 4. The outdoor area of the schoolyard is used for planting, fish-farming and sensory integration activities in order to foster children's interest in natural science, strengthen life education and advance children's physical development. 5. The course cultivates children's capacities of self-learning, thinking, exploration, innovation, adaptability and communication. 6. The school strengthens moral training through the "moral education" which is made by the joint efforts of home and school.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>1. There are outdoor and indoor physical activity sites, and outdoor site is laid with bumper blocks that are of international safety standard EPDM, moreover, students can swim in summer; there are fish ponds and gardens, which can create multiple and interactive learning environment. 2. There are interest activity area (fantasy corner, puzzle toys corner, reading corner, drawing and handicraft corner and computer corner, etc.), and visit and observation to correspond with activity teaching, thematic learning and group learning. 3. Various types of Board Games are introduced to strengthen children's thinking ability, use of fine movements, language and social skills, etc.. 4. There are multi-sensory activity rooms equipped with multiple-intelligence facilities, so that children can learn from games. 5. Qualified kitchen is set for nutritionally balanced diet. 6. "Parents' School" is established, and there are parenting education courses taught by experts.</p>	
Assessment of children's learning experiences	
<p>1. Continuous assessment: report students' school life and learning progress, and formulate appropriate teaching plans and guidance for individual students. 2. The form of evaluation report: "Assessment Report of Thematic Learning", "Learning Process Files", etc.</p>
