Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>We arrange a rich, diverse range of learning activities based on children's physical and mental development, ability and interest.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Our curriculum takes account of children all-round development according to the diversity of individuals. Classes are conducted in an interchangeable learning environment between indoor and outdoor, dynamic and static. Lessons are taught using daily life themed topics with comprehensive development, which enable students to have all-round and well-balanced development in the areas of ethics, intellect, physique, social skills and aesthetics.</p>	
Assessment of children's learning experiences	
<p>Continuous observation and recording of children's learning achievements, including in the form of children's learning and development reports, children's learning portfolios, etc.</p>
