Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our curriculum is designed to cater to children's development characteristics and needs and to enrich their learning experience across a wide variety of learning areas in a progressive and step-by-step manner.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Our integrated curriculum is designed to incorporate language, music, physical and arts to each learning activity, to provide children with comprehensive interesting learning experiences. We make full use of community resources and participate in various community activities to enrich and broaden children's learning experiences. For example, we organize children to visit "Road Safety Town", etc.</p>	
Assessment of children's learning experiences	
<p>We have set up a children's learning experience assessment system and established a children's learning portfolio to record their development in all aspects through continuous observations; we report to parents on a regular basis their children's learning performance.</p>	

School Characteristics	
School vision and mission	
<p>Our mission is to provide children with a happy, caring, safe and diverse learning environment, to establish solid foundation for children's lifelong learning, to inspire children's potential and holistic development; and to provide support and partnership with parents and develop children's good habits and self-learning.</p>	
Support to students	
<p>We partner with community agencies to provide support for children and their parents, for example: New Students Adaption, P.1 Entrance Adaption, related social service referral, etc. With a focus on caring service, we have educational psychologists and professional social workers to provide school-related support and consulting services.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Received Grant for Support to NCS Students; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration; facilitate professional development for teachers to develop effective strategies to help NCS students learn Chinese; participate in school-based professional support programmes organised by EDB.</p>	
Support to students with special needs	
<p>Joining the On-site Pre-school Rehabilitation Services. Integrated Programme in Kindergarten-cum-Child Care</p>	
Link with parents	
Parent-teacher association : No	
Other activities / communication with parents	
<p>To promote the parent-school collaboration and parental education, the school regularly holds Parents Day, Parents' Class Visits, Parents Orientation, Parent-Child Activities, etc. We provide opportunities for children to experience community life, and in contact with communities, arrange for children foreign performance, coloring activities, visits to Senior Centers, etc.</p>
