Curriculum Details	
Curriculum type : Local	
Curriculum planning	
Curriculum arrangement corresponds with the children's development characteristics and needs. It covers different fields of study which enhances children's learning experience according to their ability.	
We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.	
Learning / Teaching approach & activities	
Through integrated curriculum, permeate elements of language and music into all the learning activities, provide comprehensive and interesting learning experiences for children. Make good use of community resources, and participate in community activities to support and broaden children's learning experience, for example, visiting "Road Safety Town", "Science Museum", etc.	
Assessment of children's learning experiences	
Evaluate children's learning experience in the form of continuous observation, and record children's development in every aspect with different assessment tools, in order to establish Children Learning Portfolio, and to share with parents regularly.
