Curriculum Details	
Curriculum type : Local	
Curriculum planning	
Curriculum arrangement corresponds with the children's development characteristics and needs. It covers different fields of study, and it enhances and enriches children's learning experience according to their ability.	
We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.	
Learning / Teaching approach & activities	
Design integrated curriculum, incorporate the elements of language and music into all the learning activities, provide comprehensive and interesting learning experience for children. Make good use of community resources, and participate in community activities to support and broaden children's learning experience, for example, visiting the Traffic Safety City, the Brighter Smiles Playland and the Hong Kong Flower Show.	
Assessment of children's learning experiences	
Evaluate children's learning experience in the form of continuous observation, and record children's development in every aspect with different assessment tools, in order to establish Children Learning Portfolio, and to share regularly with parents.	

School Characteristics	
School vision and mission	
The school is operate under the Hong Kong Society for the Protection of Children, our mission is to provide children with happy, caring, safe and diverse learning environment; to establish solid foundation for children's life-long learning; to inspire children's potential and holistic development. In addition, the schools provide support and partnership with parents, and to develop children's good habits & self learning.	
Support to students	
We provide adaptation programme for new admission, preparation programme for primary one admission & referral to relevant social services in cooperation with other community institutions. Our 'Educational Psychology and Developmental Support Services' formed by Education psychologist and social workers offer professional consultation, assessment, early identification, counseling and individual / group trainings services to children and parents.	
Support to non-Chinese speaking (NCS) students	
Received Grant for Support to NCS Students; create an inclusive learning environment to facilitate students' integration.	
Support to students with special needs	
Joining the On-site Pre-school Rehabilitation Services. Integrated Programme in Kindergarten-cum-Child Care	
Link with parents	
Parent-teacher association : No	
Other activities / communication with parents	
For the promotion of home-school cooperation and parental education, our school holds regular Parents' Day, parental class observation, parent orientation, volunteer activities for parents, parent-child activities, parent-child school outings, Open Day, etc. We provide the opportunity to let children actively involve in the life of the community. We keep ties with community and make arrangements for children to participate in external performances and visits.
